Attending Staff Physician, Lions Gate Hospital

BMSc - University of Western Ontario, 2005

MD - University of British Columbia, 2009

Fellow Royal College of Surgeons of Canada (FRCSC),
2014

MPH - Harvard School of Public Health, 2016

Urologic Oncology Fellowship - Memorial Sloan Kettering
Cancer Center, New York, NY, 2014-2016

BACKGROUND

Dr. Justin Lee received his medical degree from the University of British Columbia followed by his Postgraduate Residency Training in Urology at the University of Toronto. Following residency, Dr. Lee completed a two-year fellowship in Urologic Oncology at Memorial Sloan Kettering Cancer Center in New York in 2016. During his fellowship, he completed a Masters of Public Health in Clinical Effectiveness at the Harvard School of Public Health in Boston.

Dr. Lee works alongside the North Shore urology group at Lions Gate Hospital. He has special interest in the diagnosis and management of cancers affecting the genitourinary tract. He has subspecialized training in minimally invasive laparoscopic surgery and open surgical treatment of urologic cancers.

Throughout his training, he has been active in clinical research and medical education.
