### **BACKGROUND**

Dr. Masterson has a fulltime appointment as Clinical Professor in the Division of Pediatric Urology at BC Children's Hospital. In addition to general Pediatric Urologic cases, he has a special interest in Pediatric Stone disease, and Adolescent/Transition Urology.

He was Program Director of Postgraduate Education for the Division of Urology from 1983 to 2000.

He has been actively involved in undergraduate and postgraduate teaching, and was awarded the Division of Urology's Outstanding Teacher Award in 1992 and 1999.

Dr. Masterson was Corresponding Member of the Test Committee and Oral Exam Committee Member from 1999 to 2004 for the Royal College of Physicians and Surgeons-Section of Urology.

From 2007-2010 Dr. Masterson was Week Chair for two weeks in the FERGU (Fluids, Electrolytes, Renal Genito-Urinary) block of the UBC undergraduate PBL (Problem Based Learning), and was involved in redesigning the curriculum including INDE 410.

Dr. Masterson also developed electronic resources including online PBL cases, surgical ideas and structured oral exams for students on all three campuses.
