

Peter Pommerville, BA, MD, FRCSC

Clinical Professor
Department of Urologic Sciences, UBC

Dr. Peter Pommerville, a practicing urologist, is an active staff member of the Vancouver Island Health Authority, which includes the Gorge Road Hospital, Royal Jubilee Hospital and Victoria General Hospital.

Among his scholarly and professional activities, Dr. Pommerville has conducted numerous clinical trials in ED, BPH, Prostate Cancer and Urinary Incontinence. He is a guest lecturer in the department of continuing education at the University of Victoria and the University of British Columbia. He is also a regular reviewer for The Canadian Medical Association Journal and is a member of the executive for the Canadian Urological Association.

Dr. Pommerville is a member of several professional organizations, including the Canadian Continence Foundation, Canadian Urological Association, Canadian Male Sexual Health Council, and the American Urological Association. He is also the secretary of the Canadian Male Sexual Health Council and a past president of the Northwest Urological Society.

Dr. Pommerville received his medical degree from the University of Ottawa in 1978 and became a fellow of the Royal College of Physicians and Surgeons Canada in 1984.
